

Colorado Mandatory Disclosure Statement
Golden Oak Acupuncture and Herbal Medicine
“Root, Revive & Thrive”

Education and Experience:

Catherine “Kade” Stotler MSOM, L.Ac. (they, them, theirs) earned their Master of Science in Oriental Medicine from Southwest Acupuncture College (SWAC) in December of 2019. This four-year program consists of 3,092.5 hours of education including 1,140 hours of clinical practice. This professional program of study included training in the five branches of classical Chinese medicine: acupuncture, herbal medicine, physical therapy, nutrition, and exercise/breathing/qigong therapy with the greatest number of hours devoted to the study and practice of acupuncture and herbal medicine and the remainder involving various graduate level courses of study in Western Science including diagnostics, anatomy and physiology, biochemistry, Western physical exam, differentiation of diseases, Western pharmacology and research studies. She was certified as a Diplomat in Acupuncture by the National Certification Commission for Acupuncture and Oriental Medicine (NCCAOM) in Dec 2019. This includes certification in Clean Needle Technique. During her junior and senior year at SWAC, Kade interned at Well Woman Acupuncture in Boulder, CO as an herbal intern under clinic director Dr. Maren Cahill DAOM, L.Ac., FABORM.

Kade’s training includes adjunctive therapies such as moxibustion, tuina, qigong, acupressure, guasha, shiatsu, cupping, auriculotherapy, pediatric sho-ni-shin and dietary and lifestyle recommendations.

Kade is a member of the Acupuncture Association of Colorado. She is a registered and licensed acupuncturist in Colorado. None of these licenses, certificates or registrations has ever been suspended or revoked.

Golden Oak Acupuncture and Herbal Medicine Clinic complies with the rules and regulations promulgated by the Colorado Department of Health, including the proper cleaning and sterilization of needles and the sanitation of acupuncture offices. Only single-use, disposable, factory-sterilized needles are utilized.
